## Dear Friends,

### Happy Summer!

I hope your summer is finding you in good health as you take time to enjoy your family and the wonderful summers in Milwaukee. I hope you had an opportunity to enjoy the Garfield Avenue Blues, Jazz, Gospel & Arts Festival held this past Saturday, July 22<sup>nd</sup>. Kudos to Attorney Thomas Jacobson, the visionary and his outstanding board members Lamar and Jewel from Garfield 502, and to the creative talent genius Andre Ellis of Andre's. What a wonderful time everyone had, we look forward to this event each year. Thanks to all of you for being a blessing to the community.

## *Milwaukee County Health & Human Needs Department Recognized for Excelling and Making A Difference!*

So many times in Milwaukee County you hear about the negative, but I am here to shout about the good news! As Chairman of the Health & Human Needs committee and the Combined Community Services, I want to brag about the outstanding job of this department. For many years they have brought surplus to the Milwaukee County budget. So this year I took the time to say to Rob Henken, Director, and the Health & Human Needs staff that we thank you and we appreciate your hard work and dedication that you give to the constituency of the department.

*Supervisor Peggy West, Vice-Chairman, and myself took the time to  
honor employees at the March 9, 2006 County Board meeting.*
